

AMENDMENTS TO THE SPECIFICATION

Please amend page 6, line 2 to read "bearing surface 211" rather than "bearing surface 11".

Please amend page 6, line 3 to read "threads 223 and 222 comprising surface 222A" rather than "threads 211 comprising surface 222A".

Please amend page 6, line 21 to read that L1 is "2.4 cm" rather than 2.4 mm. The Office will appreciate that this number is correct since L1 is the sum of L2, L3, L4, and L5.

Please amend page 7, line 12 to read "nibs 212" rather than "nibs".

Please amend page 9, line 22 to read "no adhesive" rather than "not adhesive".
